

YESHIVA UNIVERSITY PRESIDENT'S SOCIETY

Yeshiva University's donors serve as our partners in building our worldwide reputation as a center of academic excellence and Jewish values. By giving each year, you are supporting the most vital priorities of Yeshiva University, such as scholarships, faculty support and research.

To show our donors how much we cherish their commitment, we are pleased to introduce the President's Society, which recognizes annual donors starting at \$1,800. Each contribution level of the President's Society offers additional benefits providing exclusive opportunities for greater involvement with the University.
