

Welcome to Yeshiva Success Network - Getting Started

The Yeshiva Success Network (YSN) gives you invaluable information and a convenient way to keep track of your students – raising flags when you observe a pattern of behavior that concerns you, ensuring that the people on campus who can intervene are aware. It also allows your students to easily book an appointment with you or someone else who can help.

Getting started is easy. You can find the link on InsideTrack, Employee Tools, Yeshiva Success Network. It is also accessible directly at this link <https://yu.starfishsolutions.com/starfish-ops/session/casLogin.html>, YSN will automatically display all students with whom you are connected. Use your Single Sign On information when prompted. From there, you can review information, raise flags about students, and review flags that have been raised about your students.
